

The Cambridge Blue

Free House and Real Ale Paradise

Welcome to the Cambridge Blue beer list. The following beers are what is available from our bottled selection in the fridges including beers from Germany, Belgium and other places.

Please note: not all beers may be available at all times and there may be other available beers not listed. Please do not hesitate to ask staff about beers if you are unsure and we will be able to assist in choosing.

Please note some of the beers can get quite pricey as the percentage increases towards the teens mark or if the beer is rarer than others, we are always happy to price check a beer before we open it.
